

## DIGGS Supporting Member

Become a Supporting Member and demonstrate your support for this open standard for data transfer. As a Supporting Member, you will be indicating your interest in supporting the implementation of this protocol and will become an ally of the DIGGS Consortium as we roll out this new tool.

As an early adopter, you will receive **TWO** years of registration for the price of one **if you register your company before June 30, 2017.**

Supporting Members will be helping to spread the word about DIGGS and will receive recognition on the DIGGS website. The Consortium will also email notification of significant milestones or advancements in the protocol. Other services or benefits may also be provided as determined by the Consortium's Advisory Panel.

### **BECOME A SUPPORTING MEMBER:**

Small Firms (Maximum of 3 offices and 40 employees)—\$100/yr\*
